EXCLUSIVE PATENTED WALLACE POWER-FEATURES

Ordinary Shears

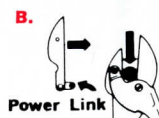

"Power-Lever" Shears

U.S. Pat. No. 3,187,430

EXCLUSIVE "Double-Pivot" (POWER-LEVER®) action compounds the leverage thereby putting out 50% more cutting power than ordinary single-pivot hedge shears.

A.

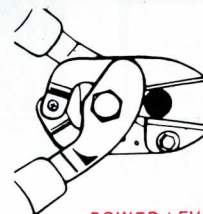

B.

PRUNING SHEARS WITH POWER-LINK®

A. Ordinary Shears-branch is forced away from area of maximum leverage.

B. WALLACE "Power-Link" draw-cut action holds jaws parallel. Actually pulls branch into maximum leverage area.

POWER-LEVER®

LOPPING SHEARS

U.S. Pat. No. 3,372,478

Exclusive WALLACE "POWER-LEVER®" pivot-action Lopping Shears are the first heavy-duty loppers to sell at a popular price.
